Please let us know anything about your connection that might conceivably affect its installation, eg:

"We run an ISP or have external connections to our site which requires some customised routing and have our own IP address range," or,

"We run a development studio, running a web server, an ftp server and a mail server (UNIX) and also wish to connect multiple sites securely using a Novel Border Manager."

**Agreement:** I agree that I have read the attached Terms and Conditions, Acceptable Use Policy, and Internet Services which form part of this agreement. I understand that I am liable for all charges on my account and that they will be billed as detailed in the aforementioned forms. I understand that accounts will be set up only upon receipt of payment.

**NOTE:** VICNET data contracts remain in force for 12 months from date of signature.
