

eCommunity ADSL Internet Services

Options and features for REGIONAL customers

VICNET's eCommunity DSL services have been specially designed to provide a high quality, low cost broadband solution for all types of non-profit organisations Skillsnet organisations & public libraries.

VICNET DSL is powered by

VICNET also offers SHDSL services, see our separate information sheet for details.

Some Ballarat, Bendigo and Geelong sites can now use our Metro pricing. Contact VICNET for details.

For greater flexibility VICNET DSL allows you to mix and match multi site connections. Choose the speed you need as well as one of the monthly Megabyte options.

NEW: Save on your data charges. VICNET does not charge our DSL customers for data sourced from any other VICNET eCommunity DSL or fibre connected site. VICNET does not charge our DSL customers for data sourced from www.statelibrary.vic.gov.au and the VICNET portal at www.vicnet.net.au portal. The VICNET portal is one of the top 10 most popular Australian web portals.

WHY IS VICNET DSL BETTER

- Powered by Request, winner of the 2001 ATUG award for best broadband service, VICNET DSL services by-passes the congested parts of other DSL networks so you can enjoy a fast Internet connection anytime of the day or night.
- Using routers to connect customers, VICNET DSL is also more stable and reliable than services that use software / modems.

General Notes:

- All prices include GST
- All listed products are available in Metropolitan Melbourne Refer to www.vicnet.net.au/products/dsl for details.
- All accounts are for a minimum 12 months only.
- Accounts will only be set up after payment/purchase order has been received by VICNET and take approximately 21 days to establish.
- VICNET reserves the right to change prices.

Product Notes:

- Indicated speeds are maximum speeds, which may vary according to geographical location, distance from local exchange and network utilisation.
- E-mail addresses: Extra e-mails can be purchased from VICNET.
- Set up fee: once off charge includes on site installation of DSL router.
- Additional line: on existing VICNET DSL connection.
- Megabytes per month: usage calculated on downloads only. VICNET reserves the right to charge for uploads where upload traffic is excessive.
- Excess fees: billed monthly.
- Own routers: must be approved by VICNET and Request.
- Lease option: lease the router for 3 years and you can own the router outright.
- Maintenance: On-site router replacement service.
